Getting Your Sketch onto Canvas

To make this process easier, a printable outline of the butterfly is included on the following page.

Use this printable outline to transfer the animal design onto your 8" x 10" canvas.

HOW TO TRANSFER THE SKETCH

- ① Print this page at 100% size (Actual Size).
- ② Turn the page over and lightly shade the back of the outline with a soft pencil.
- ③ Place the printout on your canvas and secure it with painter's tape.
- ④ Trace over the outline with a pencil or ballpoint pen.
- ⑤ Remove the paper to reveal the transferred sketch.
- ⑥ Lightly reinforce any lines if needed.

IMPORTANT REMINDERS

♥ Keep your sketch simple:

Focus on the main shapes and proportions. There is no need to include every small detail.

♥ Sketch lightly:

Use a light touch so any visible pencil marks can easily be covered with paint.

♥ Trust the process:

The sketch is simply a guide. Details, texture, and personality will develop as you paint.

ALTERNATIVE TRANSFER METHODS

- Use graphite transfer paper.
- Project the image onto your canvas and trace.
- Draw freehand using the outline as a reference.

Butterfly Sketch Transfer

Sketching Tip:

- Sketch minimal lines.
- Mostly focus on the outside edges, and large wing oval shapes, **not individual small circles around the edge.**

General Tips

This short video shares some general suggestions
when working with acrylic paint:

1. The brushes: **small, medium, or large** sizes.

They may be referred to as 1" or liner brush, but there are simply 3 sizes.

1. Work in **layers**, building upon coat after coat of paint.

2. **Pause** the tutorial often and stand to take breaks.

3. Play your own favorite **music** if you'd like.

4. Light a nice candle or **set the room** for calm joy.

A moment to create.

Take a breath.

There's no rush here.

This painting is not about perfection.

It's about enjoying the process and letting something beautiful emerge.

Allow your brush to move freely.

Trust each step.

You don't need to be an expert to create something meaningful.

Have fun and when in doubt, shake it out!

Image Inspiration

Butterfly Symbolism:

The butterfly symbolizes transformation, renewal, growth, and the beauty of becoming. Emerging through change with softness and grace, the butterfly reminds us that transformation does not need to be rushed or forced.

Those drawn to the butterfly spirit animal may be encouraged to embrace new beginnings, trust life's unfolding, and allow themselves to evolve gently over time. The butterfly teaches us that growth often happens quietly, little by little, until one day we realize we have changed.

Transformation begins when we allow ourselves to soften, open, and trust the process of becoming.

Reflection while painting:

What part of yourself may be ready to gently evolve or unfold?

What might change if you allowed yourself to grow with more softness and trust?

Guided Meditation

Get comfortable in a chair, floor, bed, or wherever your body can relax and let go. This short guided meditation will help you connect to the butterfly spirit animal before painting. Feel free to listen again at any time in the future when you're needing a little reminder on how to feel this calm energy.
